BY SUBMITTING THIS APPLICATION, YOU CONFIRM THE FOLLOWING:

I have carefully read the information memo for "New England Students Interested in work with the New England Innocence Project (NEIP)" from Professor Siegel, and would like to apply for a position with NEIP I understand that:

- NEIP work is *volunteer*; there is *no pay and no academic credit* involved.
- NEIP requires a *full semester commitment of 5 (five) hours/week*.
- Students working with NEIP agree to *attend up to biweekly meetings* as determined necessary by Prof. Siegel, to review their work with NEIP
- NEIP work involves a range of factual and legal research, under the supervision of a professor and/or an attorney, *governed by the requirements of confidentiality* that accompany legal representation. *It may conflict with work, internships or volunteer positions with prosecutors' offices, government offices or with specific lawyers' offices, and I will ensure that I review any such possible conflict with Prof. Siegel in advance.*

I agree, if my application for a position with NEIP is accepted, to adhere to these requirements for work with NEIP, and recognize that this position will be terminated if I fail to do so.
