

Employer Access Overview

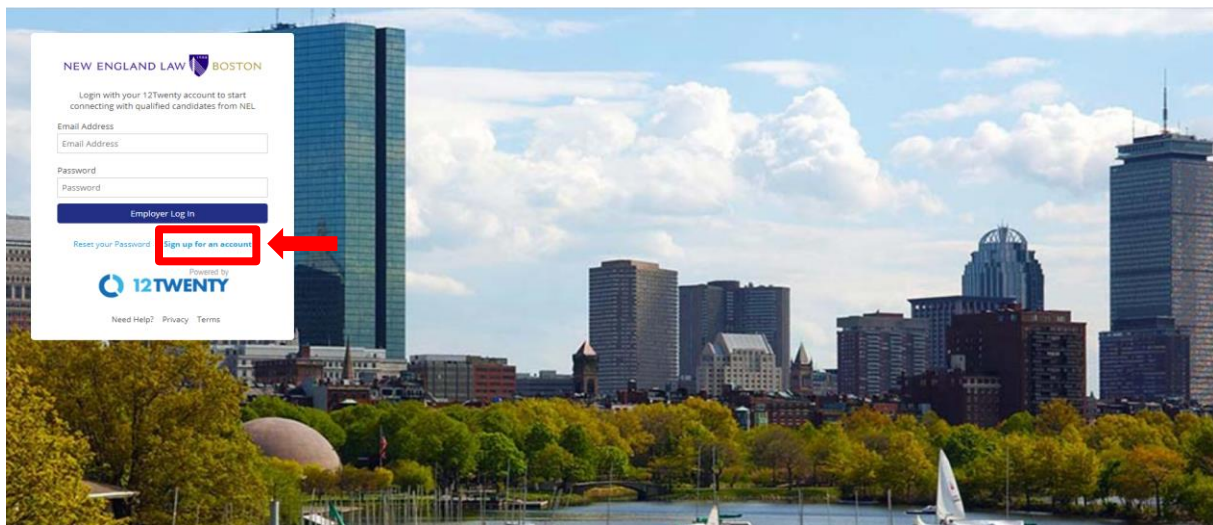

Employer URL: <https://newenglandlaw.12twenty.com/hire>

Login using your existing email and password:

All existing employers (employers who have recruited with universities via 12Twenty) have global accounts, which will allow for you to use your existing credentials to log in, or simply click **“Reset Your Password”**, where you’ll be able to send yourself a password reset in order to gain access to the system.

New to the platform?

Click **“Sign up for an account”** underneath the Employer Log In button, where you’ll complete a quick form to capture your contact information, and agree to terms of service and privacy policy.

Manage your Account Settings

Once you’ve successfully logged in / created your account, you’ll be able to manage your account settings (such as updating your password or contact information), by clicking on the silhouette icon in the bottom left, and selecting **“Account Settings”**.
