

# The Law of American State Constitutions

Second Edition

THE LAW OF  
AMERICAN  
STATE  
CONSTITUTIONS  
SECOND EDITION

ROBERT F. WILLIAMS  
LAWRENCE FRIEDMAN

This edition of *The Law of American State Constitutions* remains an important analytical tool that explains the unique character and the range of interpretive approaches to these constitutions. It covers the structure of state governments under state constitutions as well as the distribution of powers among the legislative, executive, and judicial branches. Like the first edition, this edition presents a complete picture of state constitutional law and the attributes and features that make this body of law so distinctive.

#### Features

- Includes a new section considering the issue of same-sex marriage in the context of state constitutional law
- Considers the future of state constitutional individual rights interpretation and the importance of state constitutional amendment in light of U.S. Supreme Court developments
